

International Product Supplies Limited

VetBed Gold Antimicrobial

IPS Solutions

Product Information:

The pile is made incorporating fibres known as Ultra-Fresh – a safe, non-toxic integral agent containing a silver additive that continually works against bacteria and fungi. Over the lifetime of the bedding, it will provide effective control of bacteria, mould, mildew and fungi often the cause of smells and odours – and help to create a more hygienic environment.

Qualities:

A super soft, quick dry mat, made from sustainably sourced polyester.

Hygienic, safe and non-toxic with excellent drainage properties.

Effective against dust mites, bacteria, mold and mildew.
Ideal for animals with skin problems or allergies.

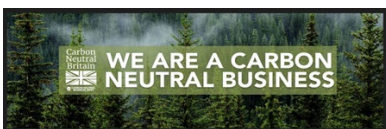

Stays fresher for longer.

Sizes:

- 75cm X 50cm (Small)
- 100cm X 75cm (Medium)
- 150cm X 100cm (Large)

Colours:

- White
- Grey
